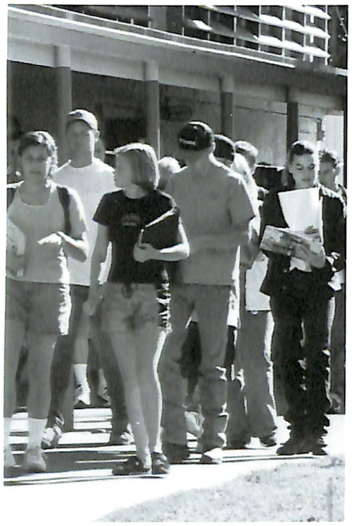
VERY BEGINNING

Walking through the halls is one of the many adventures of Vacaville High students.

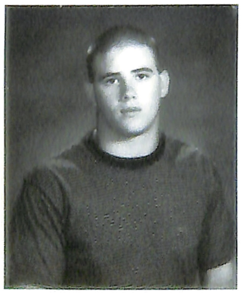


Finding a table during lunch can be a difficult task, but not for the seniors.

Rema Shamieh always shows off her school spirit with her black and orange joker's hat.

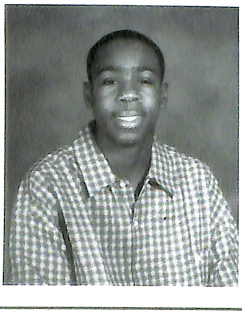
Kahalia Jones, Marquita Bell, Renee Swift and Kareena Forte take advantage of the great new benches that were put in at the end of last year.

How do you feel about the crowded hall ways?



'I don't think the freshmen should be in high school, maybe we could send them back to Jepson."

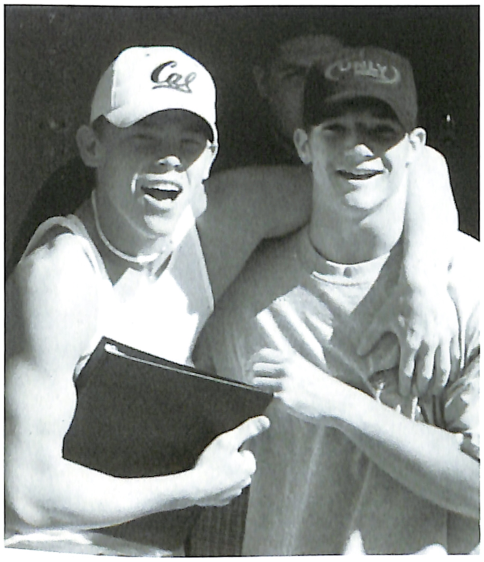
Darryl Austin



"I think some students need to be put into a little cage in the parking lot."

Roy Tatum

Maybe seniors don't rule the school, as freshmen Andre Roberts tries to show seniors Dave Rich and Bryan Silva what's up.



Friends for years, seniors Jeremy Monma and Eric Chappell celabrate their last year here.

Friendship is a great aspect of high school; as Bob Johnston, Miranda Lopez and Justin Higgs demonstrate.

These three friends Camile Rose, Danielle Rowlee and Ashley McCabe share their lunch time together in the quad.

Learning is not the only aspect of school. These students set up a game of fun to relieve the stress. (above)

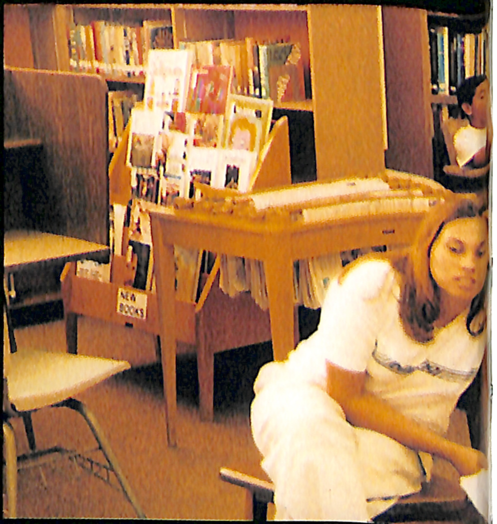
These students are taking a break from school to relax and eat lunch among all their friends. (below)

How do you feel about the new attendance policy?

"They should have talked to the students first. It wasn't right."
Alex Jimenez

"They should change it. We don't have time to go to the hospital everyday."
Jorge Antonio Jergara

VIVIFY



To make more lively, intense or striking.

LEAN ON ME

Lean on me.
When you're not strong.
I'll be your friend.
I'll help you carry on.
At times, I won't be strong,
And I'm gonna need
Somebody to lean on.

BULLDOGS Riding with style

What do seniors, juniors, and a few sophomores have that freshmen do not? If you haven't already guessed, it's CARS. Cars are a very important part of all upperclassmen's lives. Do you remember being a freshman and going out on a romantic date? You probably had to have your mom drive you, right? For those of us who have our drivers licenses we make the best of it. Whether we have to borrow the *family clunker* or enter the real world and work for our own wheels, it's all about style at Vaca High.

Mike Esplin:"Dazy" is special because of her bowling shoe paint job. **Kaitlyn Dierkes**: My cars name is Sedrick, if I get into ONE more accident I know I'll die! (above)

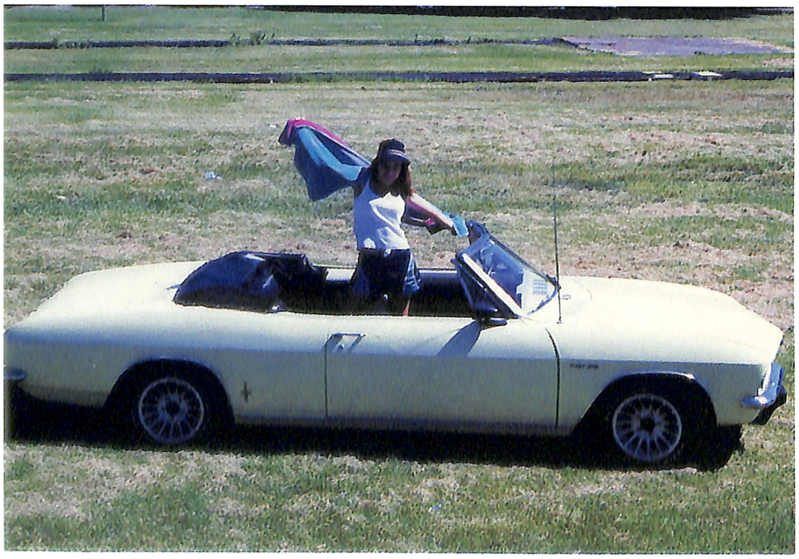
"What do you think about the new laws for teenage drivers?"

It's stupid, because like I wanna ride with my friends.
Melissa Westburg

I am ecstatic about it!
Justin Rice

I don't mind it, because I usually mooch rides anyway.
Dustin Kennedy

Sean Quinn: It's BIG! (above) **Frank Padilla**: Unlike most cars, my car is a guy. His name is Bo, just...because. **Sean Brown:** It was unique until Frank Padilla bought one too!



Linda Hannon: The engine's in the back and after I drive it, it blows me a kiss good-bye.

Wes Wilkens: My dad's friend's girlfriend totaled his Fiero and the only thing left was the spoiler...And now, it's mine.
Sara Shair: I ran over a wildebeast that wrecked a bunch of stuff underneath my car, and it still lived.

"You're a senior...Why aren't you driving?"

After you fail twice, you just give up.
Jessica Irwin

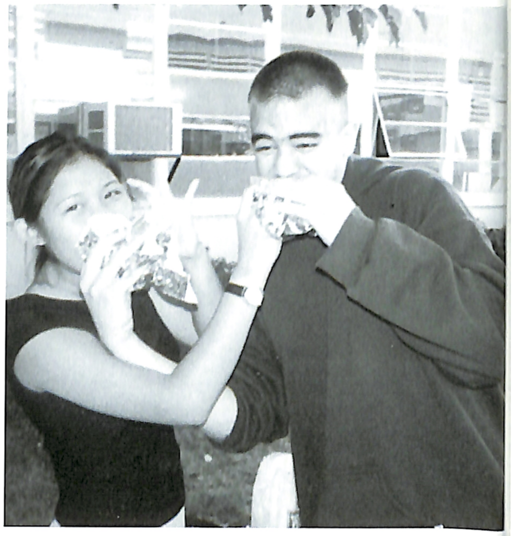
The cops caught me!
Martin Steiner

Jen Hernandez: It's mine, and it's the only one like it at Vaca High.

Liz Sauerwein: The flames make my car look fast, cause it is! **Fred Hoover**: I like it because it's really easy to find in a parking lot.

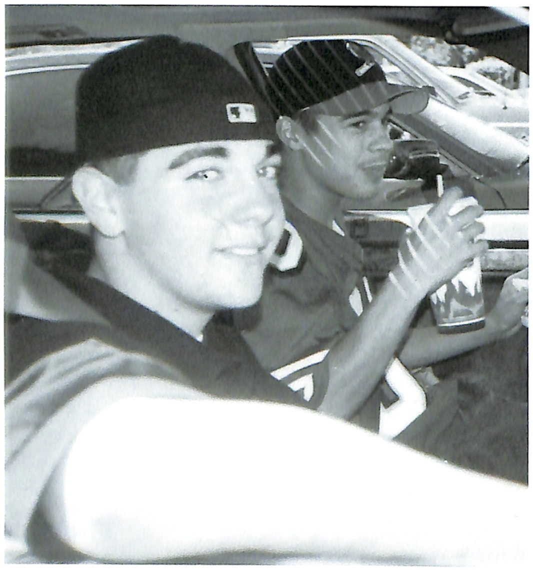
LUNCHTIME

The quad filled at lunchtime with dozens of people and hungry stomachs.

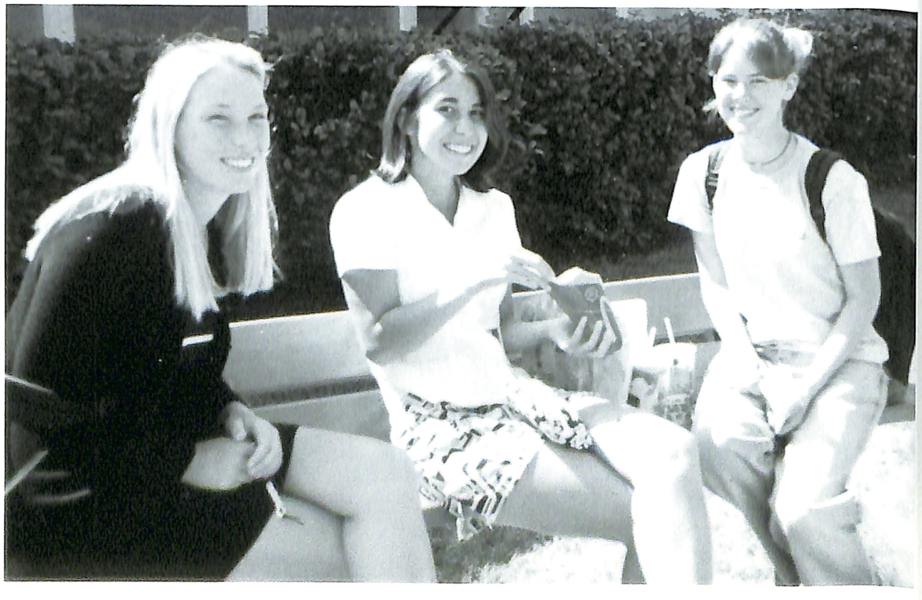


Jason Johnson & Nina Emde stuff their faces with Chick-Fil-A.

At lunch seniors like to gather and mingle in Mr. Korman's room.



Mike Fernandez and Chris Gelardi choose an alternative location, and eat in their car.



Kristina Schuster, Natalie Stewart, and Amy Wood chat while munching on Mickey D's.

Despite class differences, juniors and seniors gather together at lunch for a picture.

Who says lunch is just for eating? Blake Andrews spends his lunch hour hitting the pavement with his breakdancing skills.

David Girardot holds his Mountain Dew while waiting for his friends.

Waiting in line is the price students are willing to pay for McDonalds.

Tony Morales and Brian Robinson work up an appetite while wrestling in the halls.

Nicole Hillestad stuffs her face with the cream filling from her oreo cookie.

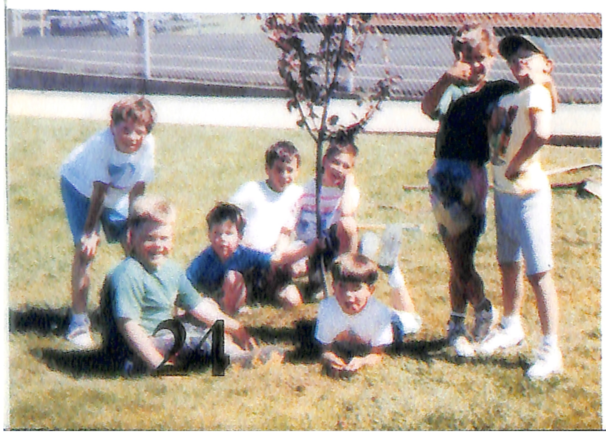
These guys like to relax on the ramp while enjoying their lunch.

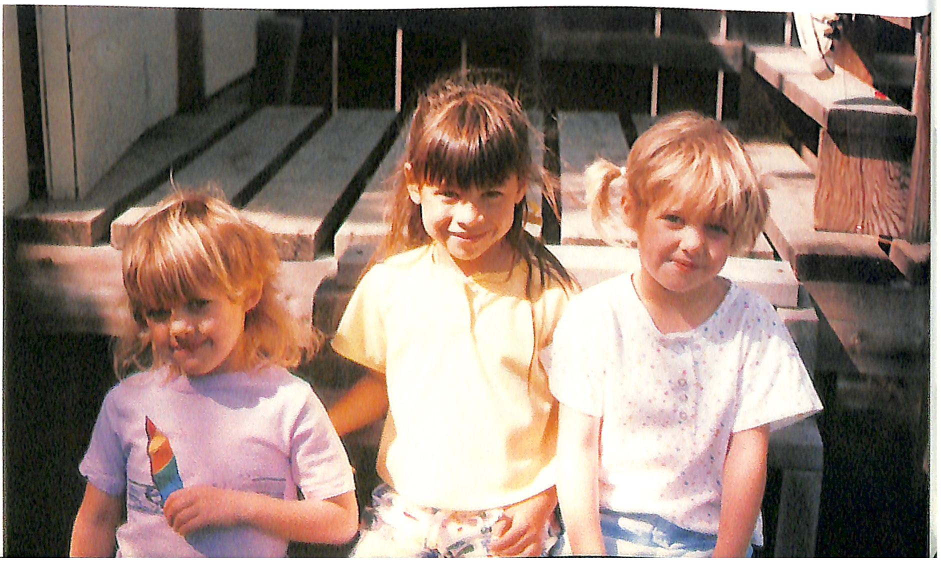
GROWING

Although their appearances have changed, cousins Matt Kadi and Cortney Malta they still show their love for each other.

Trisha Giffard, Hailey Pascal and Jamie Griffard always take time out of their play to strike a pose.

Jimmy Busher, Andy Hahn, Tyler Parker, Ryan Parker, Daniel Wesp, Geordie Stock, Matt Copeland and Jim Maertz remember the tree they planted for their cub scout troop.

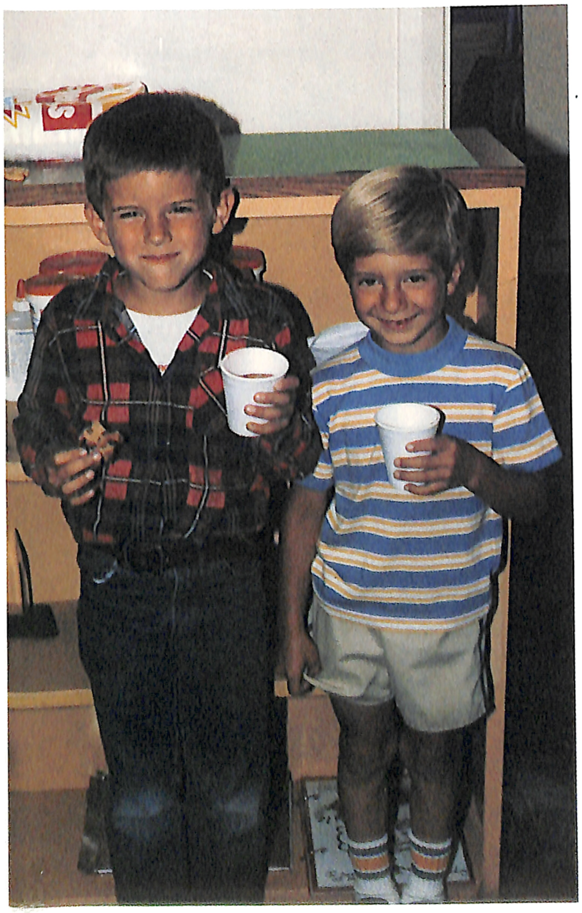


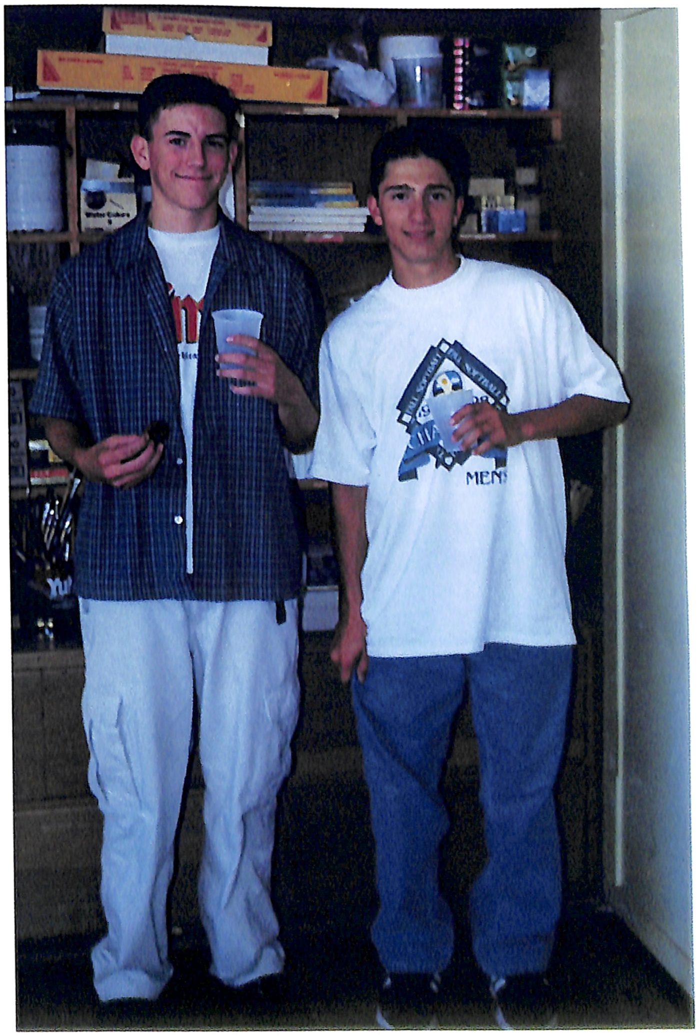


Nicole Faraclas, Nicole Scannell and Jenny Chimeleski are all key players on the varsity soccer team, but they show us that this didn't happen over night. They have been playing together since they were kids.

UP TOGETHER

For Danny Branco and Johnny Molina, eating cookies and juice will always be a favorite pastime.





THROUGH THE YEARS

Christina Reynolds and Lisa Adams flex their muscles for the camera.

Jeremy Kellerman and Andrea DeGracia smile devilishly as they play with Trigg the cat.

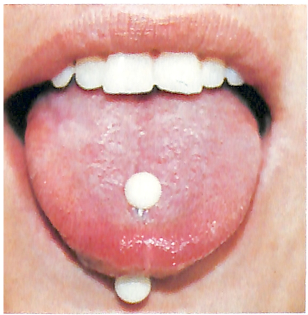
CALIFORNIA
SUBLIME

Courtney and Katie Sacca show us that they are still cuddly cousins.

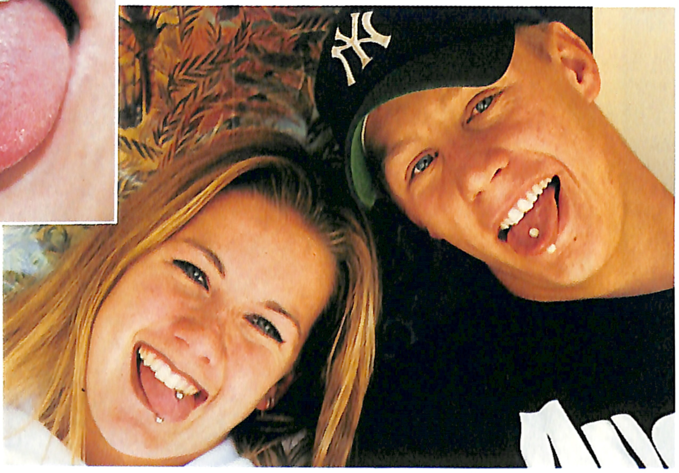
Chris Martellaro, Alan Weibel, Brad Kross, Adam Mills, Kyle Martellaro, Eric Chappell and Brian Sweeney know that there will always be a little bit of Jepson in them.

Kelli Myers and Natalie Gilley display their goofy grins during Easter time at the Nut Tree.

PIERCINGS AND Tattoos

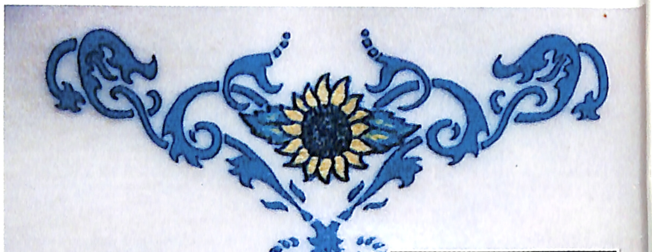


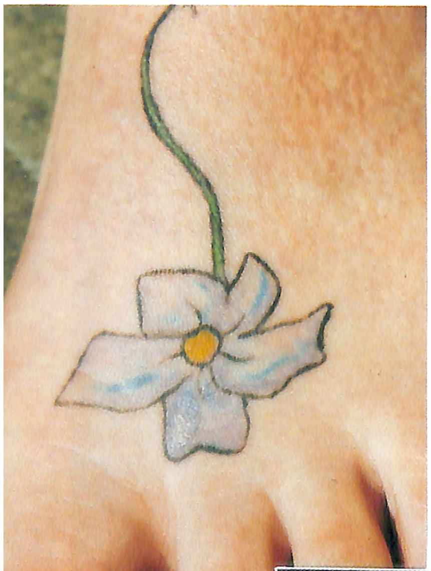
Justin Bailey shows his creative side with his above-average, glow-in-the-dark tongue wear.



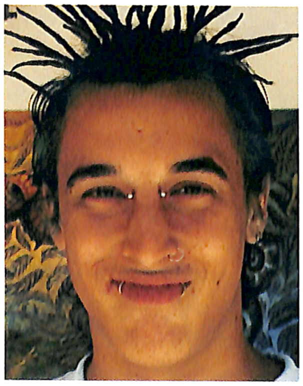
Seniors Dani Piper and Justin Bailey show off their unique tongue accessories. (left)

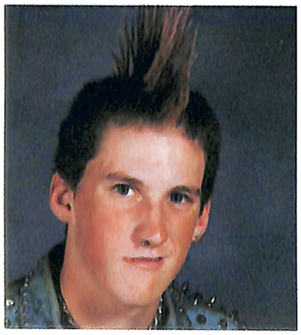
Senior Kim Campbell's sunflower tattoo adds a special twist to an ordinarily simple design. (below)



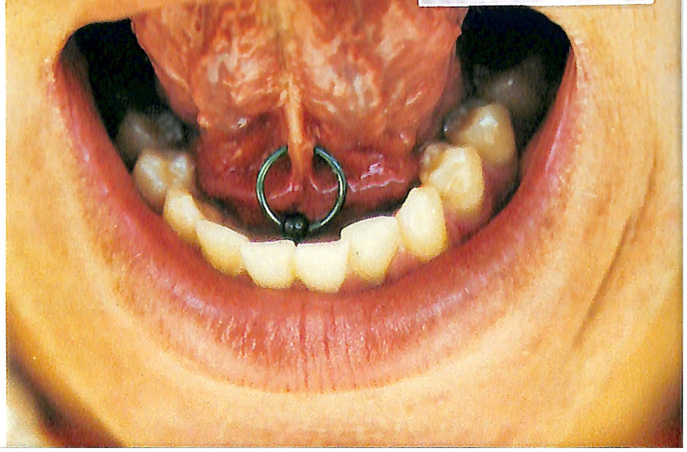


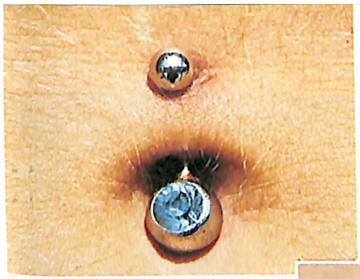
Seniors Phil Geck (right) and Pat Edwards (below) choose to stray from the normality of Vaca High and be amongst the few who create their own alternative lifestyles.



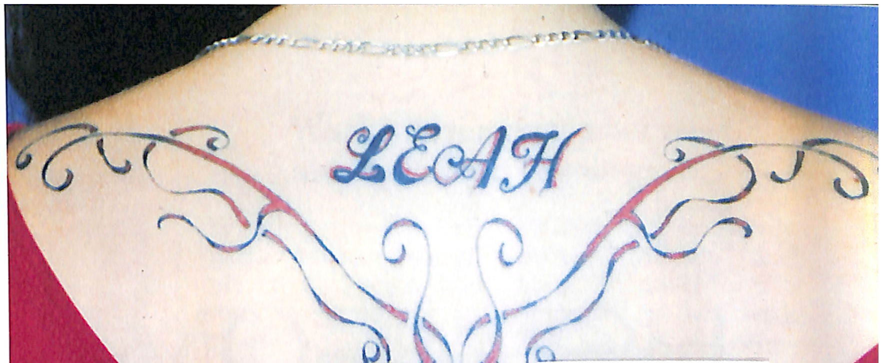


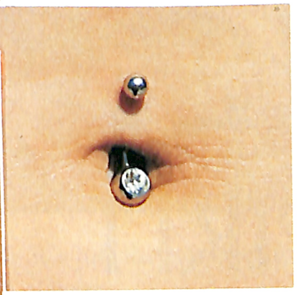
Senior Katie McCoulf (left) proudly unveils her foot, which displays a simple, yet elegant flower on top. Senior Justin Perry, a not-so-average student, flares his tongue showing off his tongue ring in a most unusual fashion. (Right)

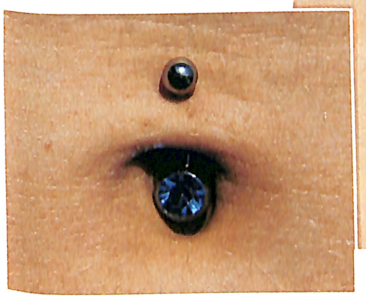




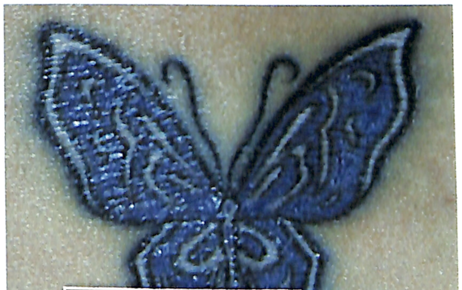
Senior Leah Denes (right) reveals an elaborate maze of ribbon-like lines which underline and surround her name.



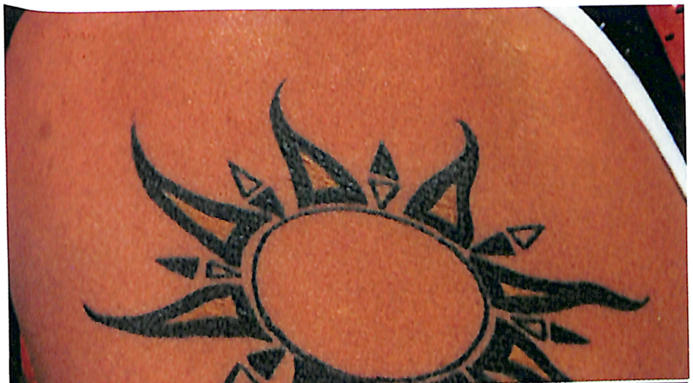


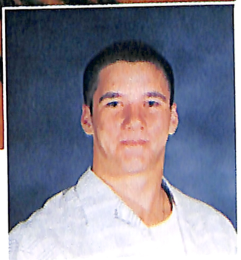


(Above, clockwise from top) Seniors Courtney Sacca and Shauna Rodocker, and junior Melissa Mulqueen adopt the fast-growing trend of navel piercing and expose their stomachs to show-n-tell.

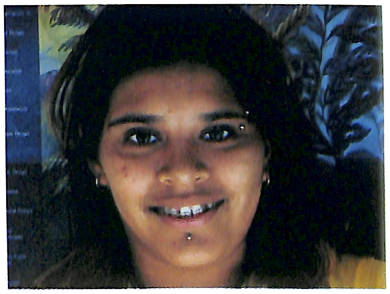


When asked to describe her petite butterfly tattoo in one word, senior Sonia Aguero enthusiastically replies, “Mine!”





Senior Bryan Silva bares his bicep, which sports a radiant sun.



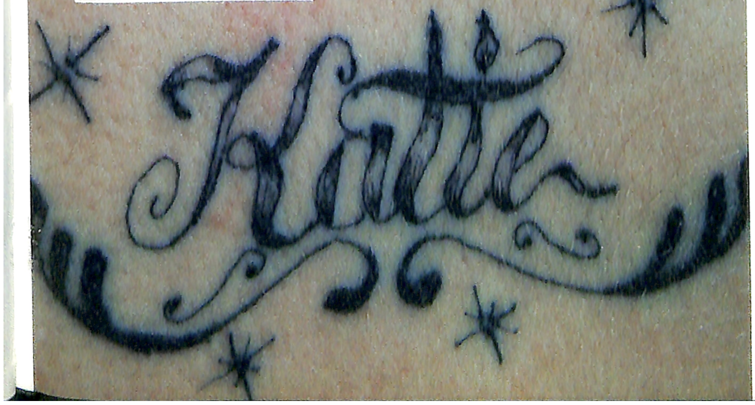
Senior Bridgette Alarcon’s numerous facial piercings express’ her individuality among fellow Vaca High students.

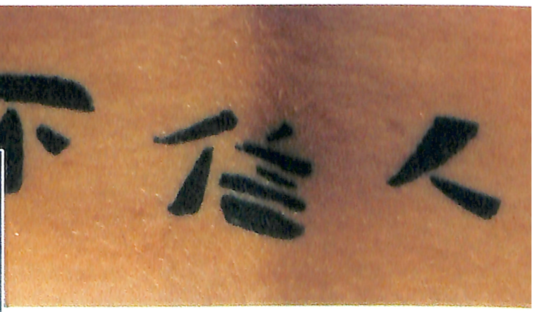
Would you ever get a tattoo?

“Yes, so when I get old and wrinkly it will look like a fungus.”

Ryan Parker

Senior Katie Martindale portrays an artistically-designed rendition of her name.





“Trust No One” is what junior T.J. Cook’s tattoo reads in Kanji characters.

THE HOMECOMING SPIRIT

Freshman Dave Dawson is probably having regrets about selling himself in the annual Bid-A-Buddy auction as he models his dress.

Who's who? Confusion coarses the halls as twins like Kristina Schuster, Dana Nicholas, Nicole Gonzales, and Erin Elskes are found everywhere on twin day.

These seniors go back to the seventies and the disco era with their first place winning class float.

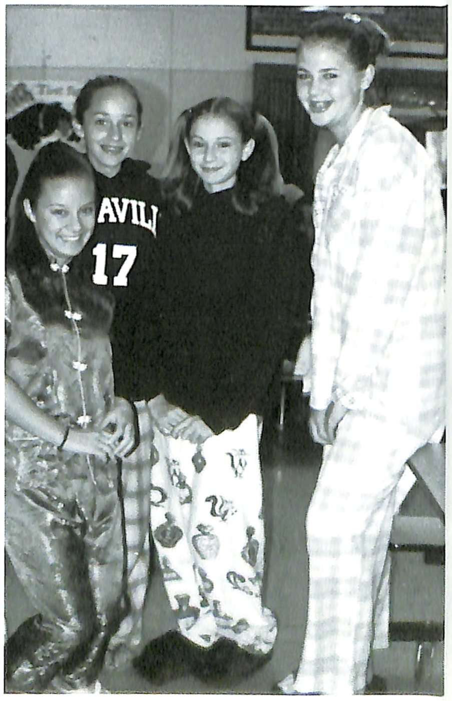
What will you remember most about your first Homecoming?

I got to carry around a big bag of tuna.
-Amie Gutierrez

Our float that should have won.
-Jennifer Anderson

Viva la France! The French club shows off their international pride as they parade down the street in their first place winning club float. (above)

Candice Fox, Brittany Gonzales, Japhia Bera, and Megan Stoltz are ready to go back to bed along with the rest of the freshman class. (right)



Greek gods at Vaca High? No, it's just the senior guys decked out in togas, taking a break between classes.

What will you remember most about your last Homecoming?

Winning the football game, because we all played as a team, and really wanted to win on Homecoming night. -*Nick Nygaard*

I'll always remember my owners, Melissa and Lacy. I'll never forgive them. I'll get them back someday. -*Ivan Guerrero*

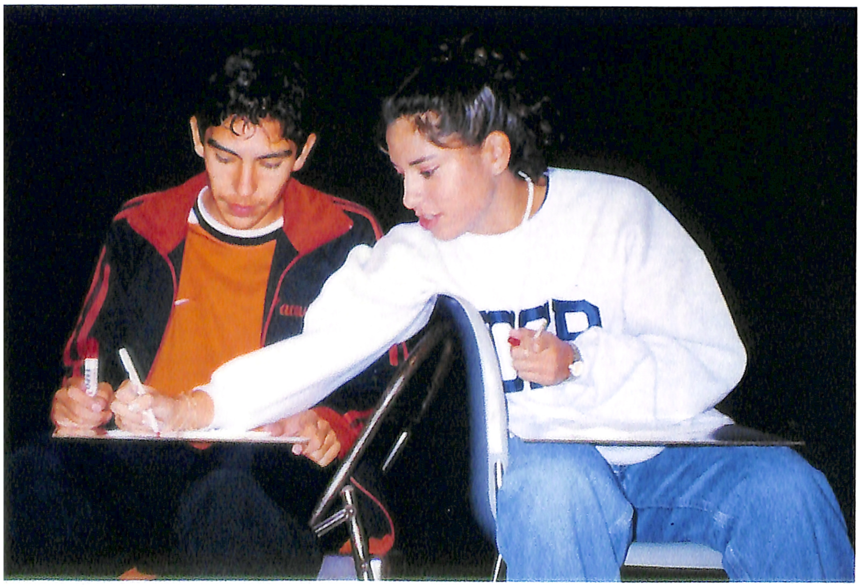
LOVE MATCH

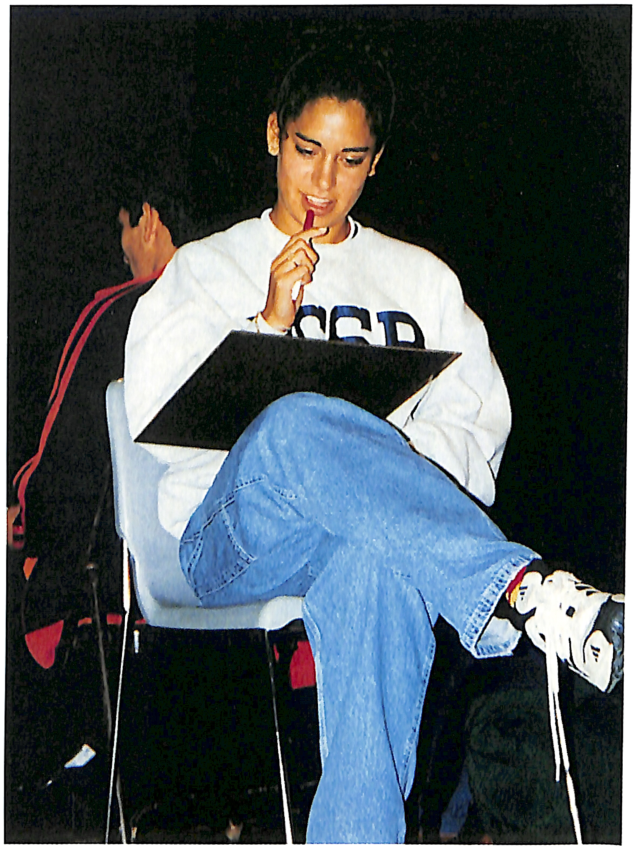
Through the course of high school, some people have week long relationships, some have day long crushes, and others have long term relationships. Most go unnoticed, but the four couples picked to participate in The Love Match hardly get overlooked. Students all over the school crammed into the dark and dank Little Theater to watch these couples compete for the best prizes. Each couple was asked a question about their relationship, and had to match their girlfriend's, or boyfriend's answer. If one person in a couple was wrong, you'd better believe they were yelled at after the game. When the dust had settled, the scoreboard showed that there was a tie. This shows that when love prevails, everyone comes out on top.

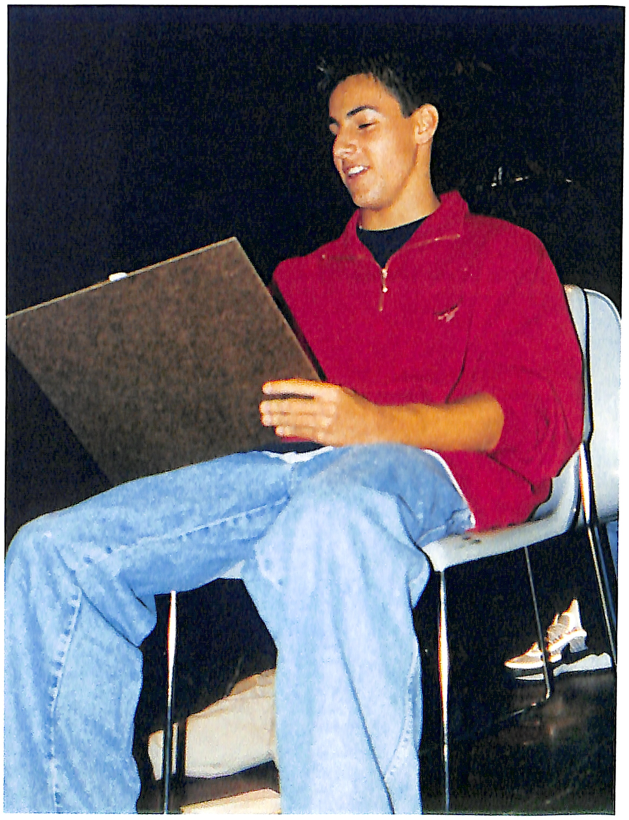
Amy Gutierrez ecstatically proves just how much they really know about each other when she matches her boyfriend's correct answer.



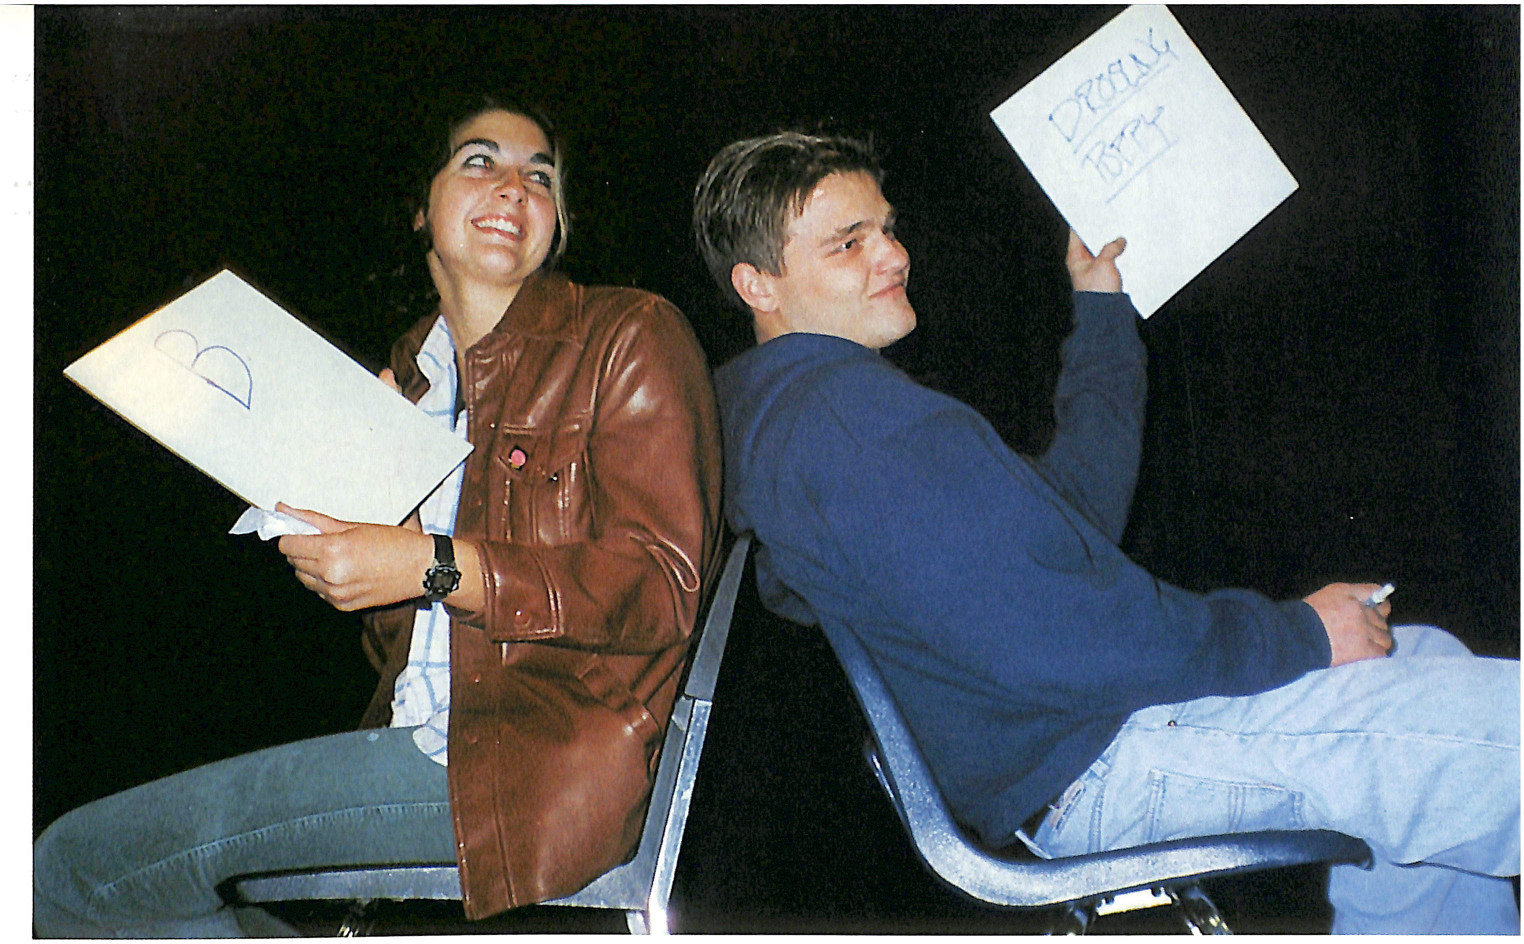
We can tell who wears the pants in this relationship when Sarah Sexton reaches over to Jaime Marentes' board to change his answer.

Sarah Sexton racks her brain to think of exactly what her long time boyfriend, Jaime, would answer.



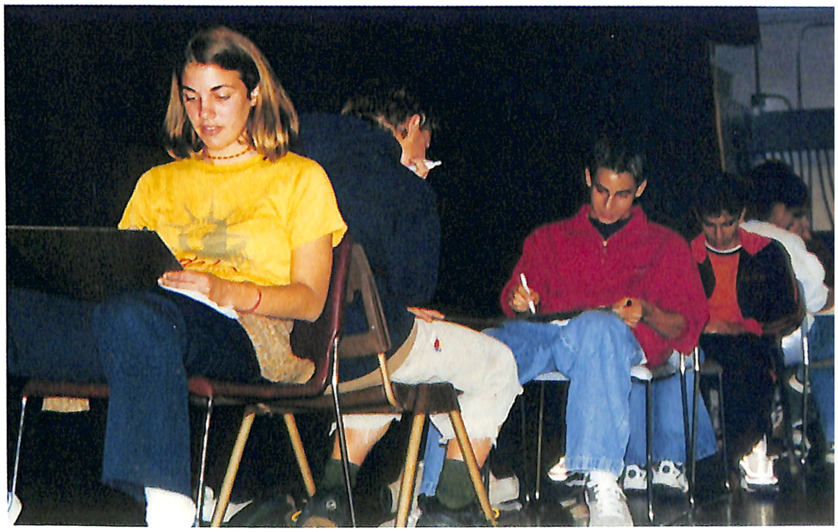


Justin Pascal laughs as he writes down an obviously wrong answer.



When asked to describe their first kiss, both Michelle Gelardi and Justin Wood unanimously reply, "DROOLING PUPPY!"

Chelsea Cavazos looks to the audience for help before writing down the answer to the next question.



Each contestant thinks hard to try to match their significant other's answer.

Questions

1. How would you describe your first kiss?
2. What is your boyfriend's middle name?
3. What is the most romantic thing your boyfriend has ever done for you?
4. What is your boyfriend's/girlfriend's biggest pet peeve?
5. Have you ever been disappointed by a present your boyfriend gave you?

MAD SKILLS

Observations

Whiteness: purity
Serenity:real
Forgiveness and love,
All these can appeal.

Distrust and judgement
These we often see,
Sometimes I wonder,
Why can't we let them be?

Are we really alone?
Or do we cease to find,
The people there who watch us,
Those people who are kind.

Look and you will understand,
The point I'm trying to make,
Search inside your soul and heart,
The knowledge you will take.

Greatness is a virtue,
A gift, a talent, a trait,
Sometimes causing the best of us,
To use it when it's too late.

What are your thoughts on this year's Jepsonites?

A few freshmen gather together to build what they hope will be the winning Homecoming float.

Hard Rock
VICTORY
CIDER
200

The "Victory Cider 2002" was not victorious, bringing up the end of the class floats.

Okay, sometimes it seems like the whole school picks on freshmen. But we all know that most of them are pretty cool and have plenty of important ideas about what's going on at our school and in the world. So we asked Mr. Knabe's 4th period class to tell us anonymously what they thought about anything and everything.

1. What is the biggest difference between Middle School and High School?
   -The people... the homework... the guys.
   -The teachers are more strict.
   -At my old school in Mexico, the teachers went to different classrooms not the students
   -There is more maturity in people in High School than in Middle School.

2. What do you think of the new tardy policy?
   -I don't like it because it's hard for me to get to class. Right when I enter class, the bell rings, and I am tardy
   -I think it's fair. People should learn to be more punctual.
   -I think it stinks because it gives us only a little time to be with our friends.
   -I think it's good because people can't be tardy or absent without excuse.

3. What are your opinions on the controversy between Bill Clinton and Monica Lewensky?

   -I think it's a bunch of crap. Put it this way, he did it and everyone knows.
   -Monica needs to move on and get a life. Clinton shouldn't be messing around, he has a wife.
   -I think the whole mess is a waste of time.
   -People made it to be a big deal. All of this impeachment stuff is stupid.

4. What can be done to make our school better for students?
   -Build a new school here; this one is too old.
   -Add an Ice Hockey team.
   -They should remove tennis courts and make the parking lot bigger. A lot of seniors complain about that.

5. What are your future career goals?
   -I want to be involved in music. I've been around music my whole life and I love it.
   -To become a video producer because I want to meet famous rap stars.
   -To become a cosmetologist or to have my own business.
   -To graduate!

6. What are your thoughts and feelings about Michael Jordan retiring?
   -It's sad because he was a great athlete, but it's nothing to cry about.
   -He should stay on the team but if he wants to retire it's up to him.
   -He has given his best and it's time to let other people do the same.
   -I think he should never retire. He was the best.

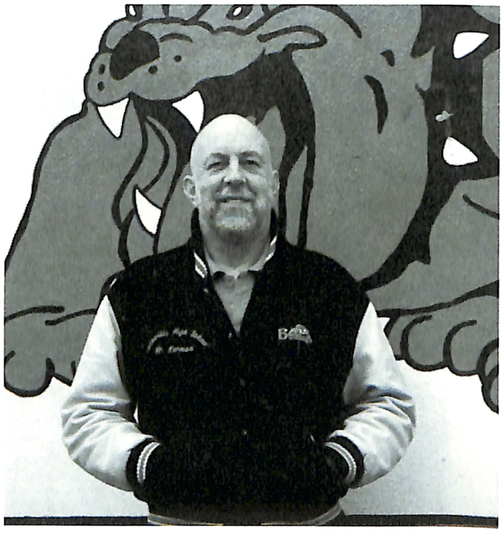
LAST YEAR AS

Mr. Rudy Montalvo

"Hitting is like a roller coaster," says Mr. Montalvo, and so is his teaching career. Yes, that's right, after 32 years of teaching here at Vaca High, we are sorry to say that Mr. Montalvo is retiring. You could have caught Mr. Montalvo teaching at Jepson where he started his teaching career in 1967, but he moved on to bigger and better things when he came to Vaca High in 1969. Since his move to Vaca High, Mr. Montalvo has certainly made his mark. Besides his current coaching job as varsity softball coach, Mr. Montalvo has coached football, basketball, track, and wrestling. If you think this takes up a lot of time, try to figure out how he helps raise two grandchildren! Throughout the years Mr. Montalvo has touched many students' lives with his easygoing personality. All the students and faculty who have interacted with him will surely miss seeing him, but Mr. Montalvo will enjoy his golden years traveling and spending time with his family.

Mr. Charles Korman



Yes, it's true! Can you believe it? Our very own Korman is leaving. After 27 years of teaching Vaca High students, he is actually resigning. Mr. Korman has taught German I, II, and III since 1979. He has also been in charge of student council, and all of the student activities; from fundraising and dances to starting the first boys soccer team and coaching it for one year. When asked how he felt he influenced and contributed to Vaca High, he happily replied, "Physically: trees, a patio and a stage in the quad; but as to the morale and the people; I hope friendship and a feeling of unity and family." He is proud that he contributed to the W.A.S.C. evaluation of V.H.S., a warmness and friendliness among students, staff and administration.

His teaching career has brought him many memorable moments. He recalled one, among the many odd memories, of sending a young man by the name of Harry Weeks to Room 6. Why? Simply because he had never gone and wanted to experience it before he graduated his senior year. He also jokingly remembered his first years of teaching, when he had hair! Now, he is resigning from teaching with the feeling of satisfaction in helping a number of students become successful. Along the way, he himself learned to understand and appreciate the different types of students and their levels of abilities to learn. He reflected on some student council years by saying, "It is amazing to watch the freshmen, as quiet 'ghosts', grow to their senior year as dynamic leaders."

Mr. Korman does not know what he will do afterwards, but he is sure it will deal with youth. He did say he will miss teaching, but more importantly, his first period prep and lunch; both times when many students come into his room for help, guidance, or just chit-chat. However, he also said he may miss the stress and organization of events because "the end product would not be as worthwhile without a little stress and difficulties to figure out."

Resigning will not be easy for Mr. Korman, but his many years of dedication, and work will always be greatly appreciated, and his friendship and reputation will always be remembered.

Mr. Donnell Stadler
&
Mrs. Diane Stadler

Two very important people are retiring this year. Mr. and Mrs. Stadler are great assets to Vaca High, and in 1999 we are losing them. They have contributed to this school for three decades and it will be a great loss to the faculty and students of Vacaville High School.

Most people know Mrs. Stadler by her reputation of being a difficult teacher. But those who know her and have had her for a teacher are aware of how she really is. One of Vaca High's many practical jokers is retiring. After 30 years of teaching almost every aspect of the English department: reading, literature, and writing proficiency; Mrs. Stadler has decided to leave it all in "a blaze of glory." She prides herself in the fact that many students, and even staff, are comfortable enough to confide in her and seek her out for help and advice. However, she is strong in classroom organization and uses unique, interesting, and meaningful lessons for teaching.

After she leaves, Mrs. Stadler will look back and miss the students the most. As she says, "Being in the classroom is the most rewarding part of teaching." Her schedule will include traveling, catching up on her ever-growing library of books, maybe returning to substitute a couple of times; and above all-GOLF. One thing that will always be a memory of her's is the time she took her seniors and 'gaffled' every stapler in the entire school for a day. That little joke happened in 1990 and even included the stapler on the desk of Mr. Boone, the principal at the time.

Mr. Stadler, a physical science and agriculture teacher will also leave this year. Mr. Stadler has been with the teachers' association, negotiated for Solano, held the position of department chair, and served on many committees for Vaca High as well as the Vacaville Unified School District. His patience and tolerance make him a fun and easygoing teacher, but his high standards for his students push them to achieve their goals. Though he enjoys every bit of teaching, Mr. Stadler is ready to try something new. He will take on traveling, reading, and golfing with his wife. Leaving his students and his colleagues will obviously be difficult, but he is excited about trying new things.

CHAMPIONS

Football is a time old tradition. Every Sunday families gather around the television to watch their favorite teams run the winning play. Here at Vaca High we had a similar tradition. Every Friday students would go to the games to see what team we would beat that week. Although when asking the football players how they would do that week, they were humble and said they didn't know. This year they proved triumphant. The 98-99 football team went undefeated in MEL and won league. Who knows if it was the new coach, new players or just our time to shine. Ten of our players got MEL recognition. Russ McGrew received Offensive Lineman of the Year and Josh Rogers received Player of the Year. Hopefully this year set the pace for teams to come.

How did it feel to go undefeated in MEL and win league?

"It felt great, to win league and even better to go undefeated. We set the pace for teams to try to break our record."

JUST FOR KICKS

Every day after school in the fall, the boys soccer team could be seen running, scrimmaging, and drilling in preparation for the league season. However, they prepared the most for their post season. The season kicked off with a game against Armijo, resulting in a 0-0 tie. Luckily, the Bulldogs won the rest of their games with the exception of Vintage. Because of their spectacular performance in league, the Bulldogs came in second, only a half of a point behind the league champions. This standing gave them a berth into the playoffs, extending their season another rigorous month. After all their hard work, the Bulldogs are proud to say that they are the first team in eight years to make it to the second round of playoffs!

VACA KNOWS VOLLEYBALL

It has been eight years since the last Bulldog Volleyball Crown. This year's varsity volleyball team brought the thrill of victory back to the Bulldogs, and left Napa reeling from the agony of defeat, ending their 75 game winning streak. It was no fluke. However, the dogs played together with intensity and focus and accomplished what they set out to achieve. Their number one goal was to bring the M.E.L. Crown back to Vacaville. The Lady Dogs ended the season M.E.L. Champions, 2nd in Sections, and in the top eight teams in the state. It was a very special year; one to remember and be proud of. Dogs Rule!

WRESTLING WONDERS

The Vacaville Varsity Wrestling Team finished off another great season. With excellent coaching from Mr. Nelson and Mr. Penaluna it's no wonder that our wrestling team always lives up to their reputation of winning the M.E.L. title (22 out of the last 23 years). There were eight seniors on this years team Justin Bailey, Frankie Fernandez, Ryan Luttrell, Matt Marchesseault, Russ McGrew, Troy Moore, Roy Tatum, and Dan Wesp. VARSITY SHOOTERS

Hours of practice, hard work, dedication, and natural talent are all the components that make up a game-winning basketball team. The Vacaville Bulldogs' varsity team carries all of these qualities and more. They are led by seniors like Rodney Ferrell, Sam Harrell, Matt Irwin, Dupree Johnson, and Quincy Wallace. As a team leader, Rodney Ferrell says that he hopes "to continue being a team player and assist the team to Arco Arena for playoffs." With these high goals in mind, the seniors strive to lead the rest of the team to victory.

GAME, SET, MATCH

Everyday in the spring, as students leave the parking lot, they can observe the boys tennis team. These are the guys who stay after school to hit tennis balls. They laugh, they cry, and they hold their rackets. "Rugby is a girl's sport, tennis is for real men," says Chris Hofschroer. This year's tennis team has high hopes. They want to do as well as the girls team by winning league. With seniors like Chris Hofschroer, Geordie Stock, Sean Brown, Sean O'Neal, Andy Hahn, Ryan Parker, and Ravin Singh the team should do well.

SWINGERS

The Vacaville High School Golf Team was another sport with a new coach. Mr. Korman has been coach for many years. This year he is bestowing this leadership role on to Mr. Wettstein. The golf team experienced many triumphs and failures this year. They will be losing four seniors this year: Steven Clegg, Marc Christophel, Danny Branco, and Brad Kross. Even with these losses, there's no doubt that in the years to come Bulldog Golf will continue to give the M.E.L. a run for their money.

BIG SLUGGERS

On a well kept baseball field, maintained by the team, who knew you could lose so much money? There is something very unique about Vaca High's baseball team, it's called fines. The coaches can fine the players for mistakes, both mental and physical. However, the players can also be fined for things not even pertaining to the game, such as "Ladies Day" which is where one of the players goes and talks to someone watching the game or even wearing their hat backwards. But the funny thing is, players can fine other players, too. And they do.

LEAGUE OF THEIR OWN

In some eyes, this is a sad year for the Vacaville High School Varsity Softball Team. It is Coach Montalvo's last year after 12 years of coaching the softball team. However, from another viewpoint, this year's softball team shows a lot of leadership and success. The team is led by Liz Sauerwein, Kathryn Wibbeler, Katie McCoulf, Tara Lentz, Cortney Malta, Nicole Herman, and Nicole Scannell. These seniors share their experience and strive to win the league. This exceptional team aspires to go to section playoffs to prove their superiority. Fortunately, because of their consistent hard work and togetherness, they have already proven their greatness.

WATER WARS

With a girls' record of 3-7 and a boys record of 1-9 there is not much to say about winning games. For a first year team and coach, and many first year Water Polo players, even to have some winning games is a major accomplishment. For a first year team, some victories and the girls' team competing in a play-off game against our 'cross-town rivals for a chance at a sub-sections playoff berth is considered a successful season.

KICKING IT

Four years ago, the girls soccer program was established, now, the girls have their own team. For being a new team, the girls did exceptionally well. The first year, they placed second to Napa and went to sections. The second year, they placed third. Last year, they placed second to Armijo and also went to sections. This year, the team is strong because of the four year veterans: Heidi Clabaugh, Nicole Faraclas, Jenny Chmieleski, and Kathryn Wibbeler.

John Vicondoa and James Erickson know their way around computers. The two have assumed the responsibility of updating the web site this year.

Vacaville High is beginning to step into the techno age. People can learn about our school by visiting the VHS web site at www.vacahigh.org. The Web connects over 150 million people in over 40 countries. Mr. Spezzi, the web page advisor says, "Our page gives these people important access to Vaca High. It shows our identity by allowing people to find out what VHS is, where we are located and what we are about. It allows communication by acting as a bulletin board and a meeting place for bulldogs past, present, and future. It even offers assistance with data and pictures that can inform, update, and educate the people."

Friends Forever

We're joined in a friendship
That time cannot sever.
With bonds we have built
We'll remain friends forever.

We're welded in spirit,
Attached by our hearts.
We're fused by the feeling
That friendship imparts.

We're tied by emotions,
Connected by dreams,
Reinforced by our hopes,
Unified by extremes.

No longer a function
Of time or of space,
Our love is a substance
That life won't replace.

No matter how distant,
We'll always endeavor
To sense the full meaning
Of friendship forever

Time sure flies when you are having fun, and that is how we would describe our eighteen years with you!

While growing up, you were forever involved in sports...baseball, basketball, hockey, tennis and golf. You always kept yourself – and us – very busy! We enjoyed sharing in your fun and activities, and we are sure there are more good times to come.

As this chapter in your life comes to a close, another begins. College, new friends, and more adventures await you. We are confident that whatever it is you choose to do, you will be successful. You are a warm, caring, funny, crazy kind of kid and you can achieve anything you set out to do. You have made us very proud and remember...

We'll love you forever
We'll like you for always
As long as we're living
Our baby you'll be.

Congratulations and God Bless You Always,
Mom, Dad and Bryan

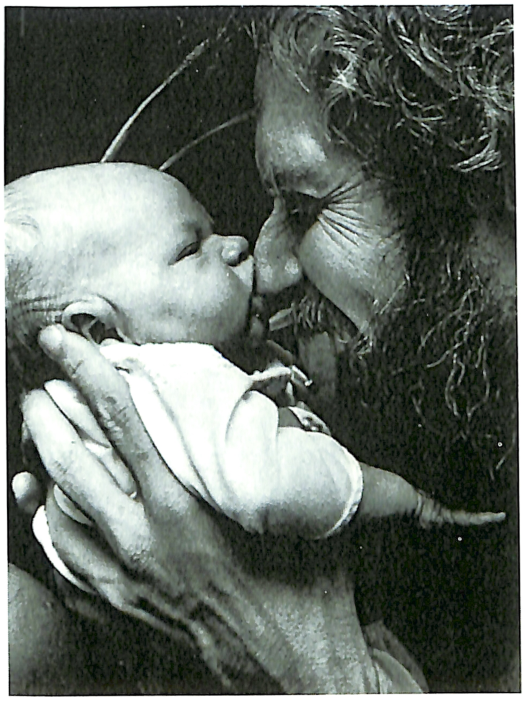
Valeri Halliday



For My Daughter

In the dark December hours,
When frozen hope
Lies unmoved
Before Dawn's weak
promise
Of yet another day
Of slate - gray skies
Behind brittle silhouettes
Of leafless limbs,
Their icy, wooden doom
Implying
That all my world is dead
Or dying

Valeri-

Gentle as rain-
kissed April lilacs,
Alive as waking May
Morning magpies,
Radiant as the June
Sun at noon-
Bids me greeting,
Her words and smile
imbuing,
With warmth and light and
song,
The long, bleak reverie
Of winter's hush.
Then all my soul's a-bloom
And summer-lush
Dad

COLOPHON

Theme was developed by Lauren Osborn and Liz Erwin, in collaboration with Marijane Anthony.

This yearbook was made using Macintosh and Mac-compatible computers using Adobe PageMaker 6.0. Most layouts were designed by Lauren Osborn, with assistance from section editors. The business section was done by Jimma Trivitt.

Senior Photography was done by Nancy French of Hoenig Photography, and candid photography was done by the Ulatis Staff and J.J. Caruzas.

Book size is 9" X 12". The book was printed on 100 pound paper. The cover is matte black with a mission grain, and it was padded. Orange was screened twice across to give the V a brighter look.

The book was printed at the Herff Jones Logan plant. Our yearbook representative was Karen Stanovich, and customer service representative was Lynne Eckburg.

The book contains 328 pages and an 8 page tip-in. Our advisor is Ms. Marijane Anthony.

HASTA LA VISTA

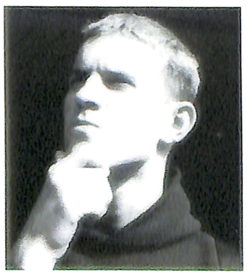
Freshman Charlotte Kruckman is shocked to realize the entire year is already gone.

Senior Amber Fruhling, Principal Mort Geivett, and Senior Kristi Bernhardt chat about the great year they had.

Junior Ashley Yates already misses all her friends from school.

Seniors Annika Jensen, Julia Beckhusen, Sandee Medlin, Natalie Gilley, Crystal Knowles, Jennifer Houston and Nicole Hillestad enjoy one last lunch together.

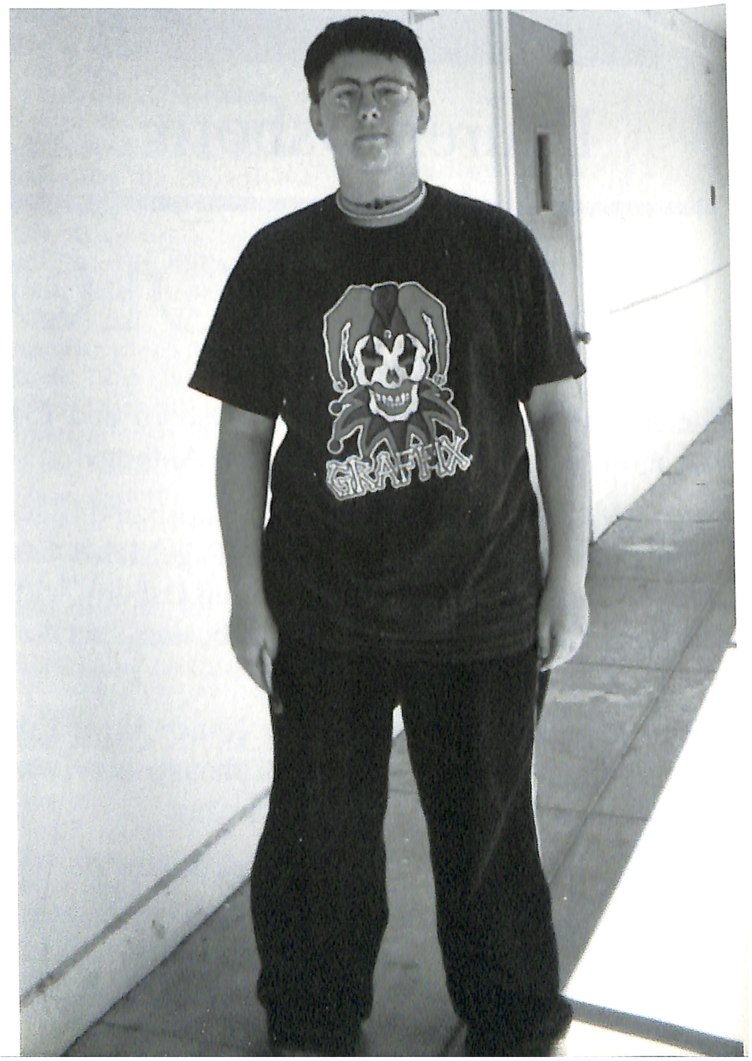
What are you most looking forward to you as a senior next year?

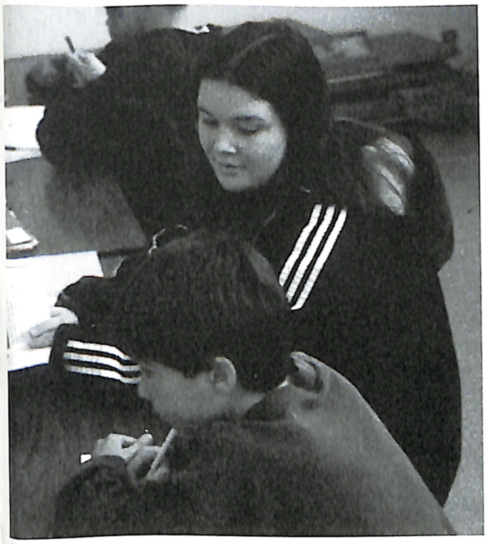


"After three years of Mr. Lopez, I'll finally be free of his evil wiles!" *Brady Price*

"Being more mature (hopefully, but not likely!)" *Lauren Barry*

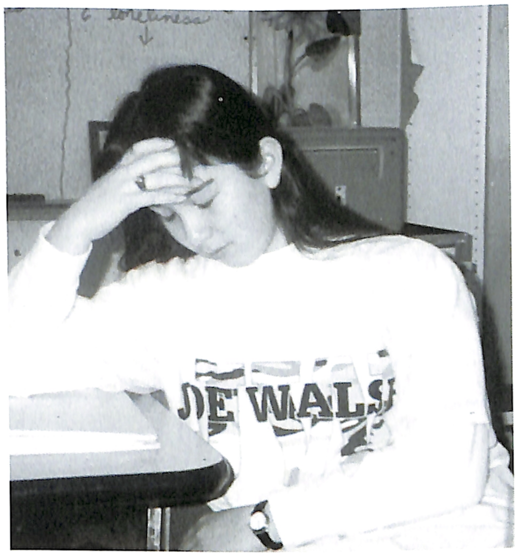
Sophomore Josh Dallas displays his awesome t-shirt.





Sophomore Jennifer Clapsadle shares the gift of reading with an Alamo School Student.

Senior Erin Chun is exhausted from spending another day in school.

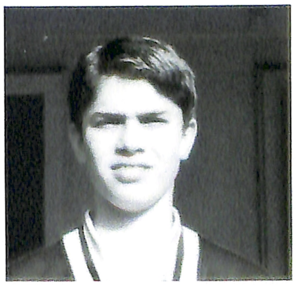


Junior Derek Hulquist inspects the needle pumping blood from his arm.

These students are, well, should be, hard at work on their math homework. (above) Senior Kristin Ostrum and Junior Sarah Popovich giggle while planning their summer. (below)

How was your first year at Vaca High?

"We had fun. There are so many cool people to meet." *Kelli Taylor and Francine Parish*



"It was fun, but I don't like some of my teachers."
Brian Phillippi
